NEW TARIFFS

Prices Rise May 1st

Price Adjustments Coming May 1 Due to New Tariffs.

New tariffs on imported goods will take effect, impacting several of our product categories. As a result, we will be adjusting pricing to account for these increased costs.

We're working hard to minimize the impact wherever possible and will keep teams updated as changes roll out. Thank you for your understanding and continued support as we navigate this shift.

WHO'S NEW?

Welcome Arlis Graham!

Please join us in giving a warm welcome to Arlis Graham, who has joined Sahni Enterprises as our newest Warehouse Associate.

Arlis brings a strong work ethic and a great attitude, and we're excited to have him on board as we continue to grow and streamline our operations.

Welcome to the Sahni family, Arlis — we're glad to have you with us!

THE FUNNIES - GREAT SCALE ESCAPE!

Once upon a time in a quiet kitchen drawer, a digital pocket scale named Slim Jim grew tired of weighing the same old spices every day. Cinnamon, cumin, paprika—he had seen it all. “I wasn’t built for this,” Jim muttered one evening. “I was made for precision... for glory!”

So one night, he slipped out (very stealthily—he only weighed 3 ounces after all) and rolled into the living room, where the TV blared a cooking competition. Jim’s screen lit up with excitement. “That’s it! I’ll be a celebrity scale!”

He made his way to the studio—okay, he snuck into a backpack that smelled vaguely of protein powder—and landed on set. The host picked him up. “Wow! This scale is so accurate, it even weighs my self-esteem after elimination day.”

Jim beamed with pride. Unfortunately, the fame was short-lived. After mistaking a pile of glitter for Himalayan salt, Jim was sent back home. Now he lives a quiet life, occasionally weighing cat treats and trying not to talk about the glitter incident.

HAPPY BIRTHDAY! YOU'RE NOT GETTING OLDER, YOU'RE JUST LEVELING UP

Believe it or not, not a single soul at Sahn's Enterprises has an April birthday. We double-checked. Then triple-checked. Nada.

So instead of celebrating this month, we're skipping straight to May – where the real party begins (whether they like it or not).

Stay tuned as we prepare to lovingly embarrass next month's upcoming birthday victims... cake, chaos, and questionable singing guaranteed.
