

ENHANCING OUR NETSUITE SYSTEM

We're excited to announce that we're making significant enhancements to our NetSuite system to improve efficiency, streamline workflows, and better support our team's needs. These upgrades will help us work smarter, faster, and more collaboratively across all departments.

Training for the updated system will begin soon, ensuring everyone is comfortable and confident with the new tools and features. Stay tuned for training schedules and resources – we can't wait to see the benefits these improvements will bring.

EMPLOYEE OF THE MONTH

HISTORY OF HOOKAH

The hookah, also known as a water pipe or shisha, has a rich history dating back over 400 years. Originating in India, it quickly spread across Persia and the Middle East, becoming a popular social tradition.

Originally crafted from coconut shells and tubes, hookahs evolved into beautifully decorated glass and metal designs.

Today, the hookah is enjoyed worldwide, blending centuries-old tradition with modern flavors and styles – a true symbol of culture, craftsmanship, and community.

HAPPY BIRTHDAY! YOU'RE NOT GETTING OLDER, YOU'RE JUST LEVELING UP
