THE GREAT HOOKAH MIX-UP!

So, one night at a party, my friend Dave decided he was a hookah expert. He proudly set up his “signature” flavor combo—watermelon, mint, and... accidentally, garlic from the kitchen counter.

Everyone gathered around, hyped for the first pull. The lights were dim, the vibe was right... until someone yelled, “Why does it taste like pizza?!”

Cue chaos. People coughing, laughing, someone fake crying, and Dave trying to convince everyone it was an “artisan blend.” He’s now banned from making flavor decisions—but that garlic-mint watermelon legend still lives on.

Moral of the story: Always check your shisha before you flex.

HAPPY BIRTHDAY! YOU’RE NOT GETTING OLDER, YOU’RE JUST LEVELING UP
